PUBLIC NOTICE ON FAKE CERTIFICATES

The General Public is hereby informed that LMS Certifications Private Limited is an accredited Conformity Assessment body which is following and complying with all the mandatory & regulatory requirements apart from the applicable standards .

We have been continuously receiving a number of complaints regarding the genuineness of the certificates being issued by us. There have been several incidences where people are using our templates and making spurious copies of the certificates for their small benefits. This not only results in reputation and financial loss to our company but also affects the benefits of clients associated with us. In the past too through our investigations we have found and banned several such small institutions.

We completely disown any responsibility towards any such incidences in future and It is therefore advised to all of you to kindly check the Genuity of the certificate on our website www.lmscert.com through the link provided over there so as to avoid such type of incidences in future causing a great inconvenience to all of you.

It is further requested to kindly report any such incidences to us on the email info@lmscert.com

Please find the copies of few of the certificates which have been used in the market but through our investigations they have been found to be bogus.
